

Musikverein Ruderatshofen 2017

Aug 10 Revision

First Records of the Music in Ruderatshofen reach back to 1826. In those first years the groups were likely smaller and they played at private occasions and church feasts. Their instruments were trumpet, flügelhorn, bass trumpet and baritone horn and notes were written for the most part by the band director. In 1987 leadership of the band was turned over to Josef Euband who is here with us today.

In 1988 the band and its 35 musicians travelled to Cincinnati, Ohio, USA on a trip organized by Baron Dieter von Malsen-Ponickau to play at Oktoberfest Zinzinnati the second largest Oktoberfest after Munich. The band then played at Oktoberfest Zinzinnati again in 1994, 2009 and is coming again this year in 2017 with 14 musicians 10 young ladies and 4 young men – Theresa Eberle is band manager and Verena Eberle is music director.

Of special interest in 2013 – the Musikverein Ruderatshofen with 70 musicians was invited to play for Pope Benedict XVI and in 2014 the Band celebrated its 60 year anniversary. This year at the Bezirksmusikfest in Wald the band scored highest out of 62 contestants.

This year they will be playing at the following locations:
